

Sports premium strategy statement for Newchurch Primary School 2017-2018

1. Summary information			
School	Newchurch Primary School		
Academic Year	2017/2018	Total Sports Premium budget	£18,130
Total number of pupils	213	Number of pupils eligible for Ever 6/FSM	15
		Number of pupils eligible for Service premium	3

<i>% achieved ARE in PE</i>	<i>All...00000 Pupils</i>	<i>Boys</i>	<i>Girls</i>	<i>Disadvantaged</i>
EYFS	88%	81%	94%	50%
Year 1	87%	88%	86%	100%
Year 2	87%	83%	89%	100%
Year 3	90%	83%	100%	100%
Year 4	83%	78.5%	87.5%	100%
Year 5	97%	93%	100%	100%
Year 6	93%	100%	87%	100%

2. 2016/2017 Outcomes (Impact of Previous Spend)		Actual Spend	Evaluation
A.	<p>J Rock - What was the intended impact? Back up with research evidence where possible.</p> <p>Quotes from J-Rock website - buzz, natural highs, smsc, exposure of performing on a stage, working collaboratively with other schools, exposed to special schools, diff cultures Approx. 65 kids Stage crew Learn about performance, stage presence,</p>	£520	<p>How did we do? Was intended impact achieved? Pupil participation rates increased. The opportunity to represent the school in an off-Island event offered to a large number of children. Increased confidence in children. Came 2nd in heat against a range of mainland schools, picking up many awards on the way.</p>
B.	<p>Purchasing Equipment</p> <ul style="list-style-type: none"> • Higher quality Physical Education Lessons. • More equipment to allow a greater number of pupils participate at the same time, meaning more emphasis on practising skills. • Range of equipment means a greater range of sports can be learned. 	£2,807	<p>Increased quality and range of equipment for PE sessions, training and competitive sport.</p>
C.	<p>Entry & Membership Fees</p> <ul style="list-style-type: none"> • Allow for competitive matches in football and cricket competitions to raise the standard • Baylink Games enables all children in KS2 to participate in a high-quality sports event 	£322	<p>Maintaining the range and level of sports available to our children as extra-curricular and competitive sports.</p>

D.	Provision of Extra Curricular Clubs <ul style="list-style-type: none"> • A wide and varied sports club program run at Newchurch, including sports such as: Football for all ages groups and sexes, Cross Country, Cricket, Table Tennis, Golf, Multi-Skills, Dance, and Balanceability. • 156 children attended after-school sports club in summer term 2017. • The range of clubs changes termly ensuring there are at least 2 options per key stage. 	£3,450	Increased range and number of after-school sports activities available to all ages.
E.	Continuous Professional Development <ul style="list-style-type: none"> • Teaching and coaching courses for members of staff to improve the quality of their delivery of both curriculum PE and extra-curricular activities 	£900	Increased quality and range delivered within the curriculum and extra-curricular sessions.
F.	External Coaching / Teachers <ul style="list-style-type: none"> • Specialists include dance teachers, cricket coaches (established links with cricket club and cricket board), cross country and football. 	£1969	<p>Specialists used to increase student knowledge and enjoyment in a range of activities.</p> <p>Increased links with clubs and pupils attending outside of school activities.</p>
G.	Travel to sporting / fixtures / events <ul style="list-style-type: none"> • Attending a huge amount of sports fixtures, tournaments and festivals on the Isle of Wight • Children had many opportunities to travel off the Island to play in mainland competitions, including football in Southampton, Bristol and Stoke, and cricket in Southampton and Bristol. 	£500	Allowing children to opportunity to compete against other school in a variety of locations, both on and off the Island.

Additional Detail (use table below to highlight specific successes of 2016/2017)

I am extremely proud of the way we have managed to promote maximum involvement for all children within the school, whilst also gaining fantastic results throughout the year. In terms of involvement for all, below are some of the statistics that I am most proud of over the last academic year:

- Every child in KS2 (over 120 children) made at least 2 appearances for the school in the last academic year.
- In KS2, the total number of appearances we provided over the year was 964
- Our highest number of appearances by an individual was 51 (shared by two girls, one of which is Pupil Premium)- We were awarded Gold Sportsmark Status again, leading to us taking 4 children to the Ageas Bowl, home of Hampshire Cricket.

We also achieved some phenomenal results on a local, county and even National level this year, made even more remarkable for a single form entry village school on the Isle of Wight. The highlights include:

- Reaching the National Finals of the U11 Girls Football Competition, held on the pitch at Stoke City FC. Having won the Island competition, we went on to represent the Isle of Wight at Hampshire. We won that tournament and the next step was South West of England to be played in Bristol. We finished as runners up that day, enough to qualify us for the National Finals. In the National Finals, we narrowly missed out on the semi-finals, finishing 7th place in England.
- The U11 Girls also cleaned up domestically, winning the Danone Cup, the League and the Cup competitions.
- Our U11 Girls Cricket team won the Island competition, meaning another trip to Bristol to represent the county at the South West of England finals at the prestigious Clifton College.
- Newchurch qualified for 5 events at the Hampshire Games for the 2nd year running (Netball, Basketball, Athletics, Girls Football and Hockey), and finished with Bronze medals in the Girls Football, the best result by an Island school.
- At the Baylink Games, the school achieved superb results across the board, showing an incredible depth of talent and perseverance to be crowned the overall winners of the two day competition. We took Gold medals in U9 Cricket, Cycling & Tag Rugby, and U11 Cricket, Girls Football and Athletics. 12 of the 14 teams that we entered achieved a medal.
- Isle of Wight Cross Country Championships – Year 5 & 6 team joint winners
- Boys Football – U9 footballers reached the semi-finals of the Island competition, the boys were joint winners of the League competition.
- Girls Football – on top of the U11 success, our U9 Girls were Island Champions
- Futsal – U9 Boys Island runners up
- Half term football competition at West Wight Sports Centre – Boys team won, girls team placed 3rd overall (in the boys competition)
- Sportshall athletics – U9 team were Island Champions, U11 Team were Bay Area Champions and 4th in Island Final

- **Sportshall Athletics – Bay Area champions again in December 2017 by a substantial margin.**
- **U11 Indoor Cricket – Regional and Island Champions, leading to representing the Island in the Gilbert Cup at The Ageas Bowl, home of Hampshire Cricket Club. This was played during the interval of a First Class game**
- **5 riders from Newchurch took part in the Dressage competition, and 3 in the Show Jumping, with riders ranging from Year 3 to Year 6**
- **U11 Basketball – The Bay Area Champions and 2nd place in Island Competition leading to Hampshire Games qualification**
- **U11 Hockey – Winner of our tournament featuring half of the Island schools, 2nd place in the grand final leading to Hampshire Games qualification**
- **U11 Mixed Netball – winner of Newport tournament, Champions in the Island Final. We beat Ryde School by a golden goal in the final, the first time I have seen them lose in my time at the school.**
- **The Golden Mile has been introduced at our school, and our Young Leaders were used to show good practise at a festival in Winchester, attended by many different schools. Our children and staff can also be seen in Energise Me’s promotional video shot at our school.**
- **Tri-Golf – 2nd place in Island Festival with a team made up of some of our less sporty children**
- **U11 Cricket – Girls were Island Champions, Boys were runners up**
- **U11 Beach Cricket – Island Champions**
- **Primary Island Games – Newchurch fielded two teams to represent The Bay area in the regional competition. We won the Cricket and were runners up in the Triathlon.**

3. Planned expenditure for 2017/2018

Academic year 2017-2018 £18,130

The five headings below demonstrate how our school expects to see improvements across the key indicators by using the Sports Premium effectively this year...

A) Improve engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	Anticipated Cost	When will you review implementation?
Promote physical activity within break and lunch times	Equipment to be used to promote physical activity at break & lunch times	Children spend 35 minutes a day outside at break times, and although these are usually very active sessions, a greater range of equipment will promote further physical activity	Visual monitoring Student council involved in discussing what equipment they would like and use	Adam Tuck	£426.53	On-going
Promote greater physical activity throughout the day	Edumove to coach teachers in to how to intergrate further physical activity into classroom based lessons. Golden Mile used within lessons to both promote physical activity and enhance learning through improved concentration and stimulation.	Physically Active Lessons (PAL) which promote academic engagement, attainment, mental health and psycho-social well-being.	Activity logs kept to monitor physical activity within non-physical education lessons. Golden Mile monitors to regularly update and certificate children reaching milestones.	Adam Tuck plus classroom teachers	£847.68	End of academic year

Total Anticipated Cost	£1,274.18
-------------------------------	-----------

B) Ensure that the profile of PE and sport is raised across the school as a tool for whole-school improvement

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	Anticipated Cost	When will you review implementation?
Promote greater physical activity throughout the day	Edumove to coach teachers in to how to intergrate further physical activity into classroom based lessons. Golden Mile used within lessons to both promote physical activity and enhance learning through improved concentration and stimulation.	Physically Active Lessons (PAL) which promote academic engagement, attainment, mental health and psycho-social well-being.	Activity logs kept to monitor physical activity within non-physical education lessons. Golden Mile monitors to regularly update and certificate children reaching milestones.	Adam Tuck plus classroom teachers	Cost as per above	End of academic year

Specialist PE lessons taught to all year groups	Employment of Adam Tuck as PE Coordinator and Connor Allen as PE Assistant to teach high quality PE to all classes within the school.	A child's key physical development is between 4-9 years of age (recent studies show). We need to capture them at this crucial age. We need to feed them with inspiring PE lessons, set the essential PE foundations (e.g. movement, receiving, catching winning and losing), fix them challenges, introduce them to sporting values and give them positive experiences.	Timetabled specialist PE lessons for all classes. Lesson observations throughout the year.	Kirsty Howarth & Jo Payne	£4,000	Ongoing observations
Class names to inspire children using local sports stars	Visits from our local sports stars to give inspirational talks and demonstrations to our children.	Our sports stars that the classes are named after can inspire the children by showing that they have every opportunity of setting goals and reaching them.	Feedback from children and teachers. Observing the talks.	Adam Tuck & Jo Payne	£200	Ongoing
Gifted & Talented children identified and offered extra coaching sessions with other talented children in the area.	Children selected and partially subsidised to attend Premier School Sport Gifted & Talented program.	Focus on the core principles – coordination, movement, thinking, body awareness and health and nutrition – sessions include activities based around development of skills such as hand/eye coordination, strength, running, striking, balance, agility, power, kicking, jumping/leaping and catching.	Trust in the professional company and coaches. Feedback from children, especially those who have attended in previous years and return. Certification for children to show progress.	Adam Tuck and Premier School Sport Coaching	£759.50	Year 5 & 6 by Easter, Year 3 & 4 by summer.
Ensure the Newchurch Nine is enjoyed by the community and beyond, and safety is paramount.	Qualified and experienced medical care on hand should it be required.	The Newchurch Nine involves physical exertion, and a range of ages and abilities.	By hiring qualified professionals to oversee medical needs.	Adam Tuck	£151.52	Following the event – 29 th April 2018

Travel to the Hampshire Energise Me Awards.	Four members of staff to travel to Southampton to attend the Hampshire Energise Me Awards after being shortlisted for School of the Year.	Being shortlisted to the final three for the top sporting school in Hampshire is a huge honour for the school.	By representing the school at the award ceremony and ensuring it reaches the local press.	Adam Tuck	£60	Following the event – March 2018
Total Anticipated Cost					£5,220.52	
C) Increased confidence, knowledge and skills of all staff in teaching PE and Sport						
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	Anticipated Cost	When will you review implementation?
Upskill teaching of subjects including Gymnastics, with a qualification to meet Hampshire criteria	Undertake training to qualify for British Gymnastics Teachers Intermediate Award	Hampshire released guidance that this was the recommended minimum qualification for delivery of gymnastics in curriculum time.	Qualification passed and certificate issued. Accompanying recourses being used regularly to teach gymnastics.	Adam Tuck	£422.25	Immediately
To qualify four members of staff in delivering Multi-skills sessions within the school	A course that is being run on the Isle of Wight is a cost effective way of getting several people qualified.	This will allow a greater number of teachers and assistants in our school to deliver high-quality multi-skills sessions, particularly for the younger children.	The course gives certification, and the candidate's delivery is assessed.	Jo Payne	£320	Once certification is received.

Whole school Edumove CPD to ensure that all members of staff are trained and knowledgeable on delivering the sessions.	Trained Edumove staff to deliver the program through whole school CPD within one of our Staff Development Days.	Physically Active Lessons (PAL) which promote academic engagement, attainment, mental health and psycho-social well-being.	All staff to attend the training to ensure consistency in our approach.	Kirsty Howarth & Jo Payne	Cost as per box on Page 6	Reviewed throughout the year.
Total anticipated cost					£742.25	

D) Broader experience of a range of sports and activities offered to all pupils

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	Anticipated Cost	When will you review implementation?
High quality equipment to allow Newchurch to both participate competitively, and to ensure maximum participation in lessons	New equipment purchased for hard ball cricket, and further hockey sticks, balls and shin pads to ensure there are enough for all within PE lessons	Two traditional sports which have proved popular with our children	Use within lessons and competitions	Adam Tuck	£1,421.14	
Offer a range of different and alternative sports clubs within our extra-curricular program	Skateboard club, Dance club and Table Tennis	A wider range and great variety of clubs will appeal to many different children at school	Coaches and instructors confirmed to take these clubs after-school	Adam Tuck	£2,695	Popularity can be reviewed by sign ups on the registration sheets.

Improve the quality of teaching in some areas of the Physical Education curriculum	Employing specialist teachers e.g. Dance, coming in and teaching within curriculum time	Areas identified in current provision which could be improved with specialist teaching. Year 5 had the lowest % reaching ARE so they were provided with regular dance lessons.	Observations by other members of staff. Feedback from children	Kirsty Howarth & Jo Payne	£660	After Easter holidays and J-Rock
Travel to all fixtures both on and off the Island	Minibus fuel plus ferry bookings	Allows more children to play representative sport, and allows us to play at a higher level in Hampshire and beyond	Listing the range of extra-curricular activities that children have undertaken	Adam Tuck	£1,027.78	Ongoing with spreadsheet
Compete in as wide a range of sports as possible within the Island Primary PE setting	Entry fees and affiliation fees paid for various events	Not only do we need to pay to enter traditional sports like football and cricket, we can also give different children opportunities to take part in sports such as show-jumping and dressage	Try to ensure we enter all competitions and events which children are interested in	Adam Tuck	£178	Ongoing as competitions and events become available
Total anticipated cost					£5981.78	

E) Increased participation in competitive sport

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	Anticipated Cost	When will you review implementation?
-----------------	--------------------------	---	---	------------	------------------	--------------------------------------

Give a wide range of children an opportunity to represent the school, in sports other than the traditional sports	Enter a mass-participation team to J-Rock, giving over 50 children the opportunity to travel off the Island and compete	The aim of the Be Your Best Foundation is to encourage young people to lead healthy lifestyles and to be their best without the need for tobacco, alcohol or other drugs.	Number of children involved in the show. Results of the show.	Kirsty Howarth	£797.52	Review conducted by Kirsty Howarth following the performance
All of KS2 to be involved in the Baylink Games	Give every child in KS2 the opportunity to compete in a high quality sporting event with many additional features including the opening/closing ceremonies and demonstrations from local sports clubs	The Baylink Games is a fantastic competition where children get to meet and compete against many children from the area. It has the feel of the Olympic Games, with schools representing countries and learning about local sports and traditions	We have attended in previous years, and it has always been an extremely well run event	Adam Tuck	£3 per child for 120 kids £360	Following the event with all teachers involved. And feedback from students
Increase the range of sports on the Isle of Wight, and the opportunities for our children to be involved in representative sport	By organising several events that I know will be popular amongst our children and their families, it ensures their participation	The Cross Country Relays attracted over 500 runners from across the Island. The KS1 Football Tournament involved 18 teams of players aged 5 – 7. The Newchurch Nine had 425 entrants.	Feedback on the events from other teachers, parents, sponsors and the participants themselves. Number of children and the community getting involved in sporting events. Sustainability of the vents in future years.	Adam Tuck	£2,500	Feedback will be sought from other schools, staff in raised standards for PE outcomes / raised or increased participation in activities
Total anticipated cost					£3,657.52	

Other expenses						
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	Anticipated Cost	When will you review implementation?

All year 6 children to meet the minimum requirements for swimming by the time they leave Newchurch Primary School.	We have offered to pay for 10 swimming lessons, or 3 months by Direct Debit for all children in Year 5 & 6 who currently so not meet the criteria.	Families can book their swimming lessons at a time and day that suits them. It was very hard to find swimming pool slots that work for both leisure centres and ourselves.	The Heights will provide us with feedback as to how the children progress within these swimming lessons	Adam Tuck	Approx. 20 kids at £22 per head = £440	Summer term
Total anticipated cost					£440	
<i>Miscellaneous costs which benefit Physical Education, Sport, Health and Fitness which do not fall under the above headings:</i>					£813.40	
Total Budgeted Spend for 2017 / 2018					£18,135.65	
Allocation remaining to be spent in the summer term 2018:					£0	

4. Additional detail (Include our successes/ awards etc)

In this section you can annex or refer to **additional** information which you have used to support the sections above.

- Tag Rugby - Regional Tournament Winners with B team runners up
- Island Tag Rugby mixed Final - bronze medals
- Girls Rugby Tag - Joint Island Champions
- Danone Cup - Girls Island winners
- Danone Cup – Girls 4th in Hampshire
- Sportshall Athletics - regional winners & Island Champions – qualified for Hampshire
- U9 Tag - two teams entered & participated
- Cross Country Relays - winner in 4 out of 8 of the races, overall Island Champions of 26 teams
- Northwood Cross Country Championships - U11 Winners overall
- U9 Boys reached Cup Final – Football

- U11 Boys reached League and Cup Final – Football
 - U11 Girls reached League and Cup Final – Football
 - U11 Netball Tournament Winners and Runners Up – Island Finals to come
 - U11 Handball Island Finalists (to be played)
 - All football teams made their semi-finals
 - U11 Boys football tournament in Southampton - won 4 out of 5 matches
 - Sportshall Athletics – 10th Place in Hampshire
 - U11 Boys Cricket – County Champions
 - U11 Girls Cricket – County Champions
 - U9 Cricket – County Champions
 - U11 Beach Cricket – Island Champions
 - U11 Incrediball Cricket – Island Champions
 - U11 Cricket – represented the Isle of Wight in Bristol in both the boys and girls competitions
 - U9 Tennis – Island Champions
-
- Island Sports Awards – Sporting School of 2017 Winners
 - Energise Me Hampshire Awards - finalist (top 3 schools in Hampshire of all ages)

Swimming:

The National Curriculum states that pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations

Based on a parent survey and data taken whilst swimming in Year 3, our current Year 6 cohort are rated as the following:

1 child (3%) cannot meet any of the guidelines

3 children (10%) meet just 1 of the guidelines

7 children (23%) meet 2 of the 3 guidelines

19 children (63%) exceed all expectations

We have arranged extra swimming lessons in Term 3 (after Easter 2018) for our weakest swimmers to enable them to meet most of these guidelines, using the Sports Premium funding.
