

Parent Picture – Summer 2 – Year 6 Yen Class

Teacher: Miss Evans

Teaching Assistant: Mrs Heal

Topic: Sound

Parent information

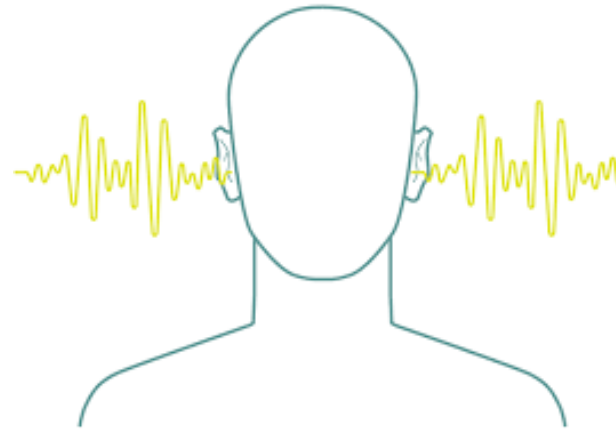

Year 6 pupils will be set weekly home learning, via **seesaw**. This home learning will support them in preparing for their SATs this year. It is expected that children complete their home learning weekly. Children will be informed as of the days this work is set and when it is due.

In addition to this, please talk to your child about the learning that has taken place each day at school – info will be updated weekly on the class blog and in the newsletter.

PE days are **Monday** and **Friday**. On these days, children should come into school wearing their PE kit.

Other key learning and topics:

3D modelling (computing);
Being my Best (PSHE);
Shape, position and direction (maths);
The Golden Rule (RE);
History of Music (music);
Cricket and Athletics (PE);
My Spanish Pen-friend (Spanish);
Design, make and evaluate a wind turbine that generates electricity to light (DT)

Overview

This half term, Year 6 will be studying a range of different topics across all of their subjects.

Our Key text for this half term is 'Moth'.
The class have their End of Key Stage 2 SATs this half term, which will take place W/C **13th May**.
After their SATs, we have lots of exciting things planned for the children which we will share

Values

Our values which underpin this term's learning:

Courage
Mutual Respect
Kindness

Science

How is sound produced?

- I can identify how sounds are made associating some of them with something vibrating.
- I know that vibrations from sound travel through a medium to the ear.
- I can find patterns between the pitch of a sound and features of the object that produced it.
- I can find patterns between the volume of the sound and the strength of the vibrations that produced it.
- I know that sounds get fainter as the distance from the sound source increases.

Key Vocabulary: sound, pitch, volume, vibrations, ear drum, frequency, amplitude.
